

September 27, 2021

Dear Angel Friends:

I hope all of you had a great summer and were able to keep cool with the very hot weather we had. Summertime is always a great time to get together and make many memories.

Sue Drag, our founding member, has produced a video that we have posted recently. If you have not had an opportunity to view it, we encourage you to take a few minutes to check it out. You can find it on our website www.friendsoftheangel.org as well as on our Facebook page. It was amazing to hear how much we have accomplished throughout the fourteen years we have been in existence.

Unfortunately, in the last few years we have had several committee volunteers as well as executive board members who have been involved in planning and participating in the Friends of the Angel events for many years retire. I am asking our angel friends out there for your help and to please consider volunteering for our committee.

Our real need is to have committee volunteers to help plan and participate in our events. We host four events a year, two brick dedications, December 6th Remembrance Gathering, and our primary fundraising event the Walk to Remember being our largest and most time consuming. You may only want to be involved with one event or more, or just have some ideas that you would like to share. Maybe you cannot commit to a lot at this time but there are several opportunities to help from home.

On Wednesday, October 27th from 6:00-7:00 p.m. at the Maple Grove Gov't Center in Room 183 we will be hosting an Open House for anyone that might be interested in finding out more about the Friends of the Angel and possibly joining our committee. Committee members, including myself, will be on hand to give you more details as well as answer any questions you may have.

Meetings are held every third Thursday. We do not meet in the month of December or over the summer. Meeting virtually is always an option.

Our hope is to be successful in gaining new committee members, so we are able to continue hosting these very meaningful events without any changes or cancellations.

Thank you for considering our plea.

Connie Johnson
President, Friends of the Angel
